

Job Description

IT Faculty, Graphic & Print design Software

Location: Greater Noida

Reports to: Sr. Manager, ITVT Programme

Section 1 | About Udayan Care

Udayan Care, a Public Charitable Trust has been working for the quality care of disadvantaged children and women and youth for over 23 years, with the endeavor of providing sustainable rehabilitation. The mission of "A nurturing home for every orphaned child; an opportunity for higher education for every girl and for every adult; the dignity of self-reliance and the desire to give back to society." is what drives its 100 employees and close to 800 volunteers to action.

Udayan Care provides homes to orphaned children while also giving girls financial and development support to continue higher education, and communities to train themselves in vocations, by engaging socially committed individuals, who provide a transformative, nurturing and mentoring environment, to help them realise their full potential.

Udayan Care has been accredited by Give India, Guidestar and Credibility Alliance, for its transparent and credible performance. In 2015, the Honourable President of India awarded Udayan Care the **National Award for Child Welfare 2014**—India's highest commendation for a non-profit child welfare organisation constituted by the Government of India for its efforts to bring smile in the life of young children.

Section 2 | About Information Technology Programme

Present era is an era of Information Technology (IT) and Udayan Care does recognize the importance of the IT skill-set and soft skills in the technology-driven world. We planted our roots in the IT field in 2004 and have been growing at a consistent pace since then. We currently have 8 centres in 3 states and our IT centres have equipped over 11200 students in Delhi and NCR. Please visit: www.udayancare.org
