

Mausumi

A 24 year young girl is a graduate and works as a makeup artist in Pratidin times news channel at Guwahati. She is a trained dancer and an active member of Assam Care Leavers' Association. According to her, lack of education opportunities deprive children in CCLs and care leavers of a lot of opportunities in their day to day life. As a part of her fellowship project, she wants to enrol each and every CL of Guwahati to distance mode of education and is working actively towards this.

Sufeera

Coming from Srinagar, Kashmir, this 24 year young girl is a graduate and pursuing MA in sociology. She is also pursuing a course in nursing from Srinagar. She wants to give back to the society by working for the children living in CCLs and for the care leavers. She aspires to support them in building their capacities and developing their skill sets so as to make them eligible for various opportunities, which they are otherwise deprived of.

Rayees

A 22 year young boy, who hails from J&K and is pursuing BSW final year, is a care leaver fellow of UNICEF-UC Fellowship for Care Leavers. He wants to give back to the society by reaching out to CCLs and work towards providing counselling support to the children living there and to CLs, be it psychological support or career assistance.

Khushi

A 20 year young girl, pursuing BA final year, is a care leaver fellow of UNICEF-UC Fellowship for Care Leavers. She is a black belt holder in karate and aspires to train as many girls and women in self defence and/or karate, as she can. She wants to ensure that freedom of women does not remain confined to 6am to 6pm.

Shweta

Hailing from Bhopal, MP, this young girl, student of MA sociology is a care leaver fellow of UNICEF-UC Fellowship for Care Leavers. With focus on studying the situation of care leavers, she intends to do a research study on the status of care leavers from 2019 till 2021 and do another study on various global care leaving networks and analysing the good practices.

Kamal

A 21 year young boy, who is pursuing B.COM final year, is a care leaver fellow of UNICEF-UC Fellowship for Care Leavers. He is very dynamic and wants to do a start for care leavers and create job opportunities for them. He also wishes to prepare the young care leavers for various government job opportunities by providing them proper career assistance and coaching.

Surja

This 21 year young girl is pursuing BA in political science and is a care leaver fellow at UNICEF-UC Fellowship for Care Leavers. She is a highly passionate girl who wants to do advocacy around the rights of care leavers by writing blogs and articles on social media.

Farheen

Hailing from Dombivli, Mumbai, this young dynamic girl is pursuing her BA in Economics. She is a care leaver fellow of UNICEF-UC Fellowship for Care Leavers. She totally believes in multi-tasking and is herself excellent at it. She plans to provide mental health support and career assistance to the children living in CCLs for their better transitioning in the world.
