

Fellowship Details

- This is not a residential fellowship. Fellows can work for the environment they want to build solutions for, while staying wherever they prefer.
- An agreement will be shared with all the Fellows in the beginning of the Fellowship stating the terms and conditions of the Fellowship.
- Fellows will receive a stipend of INR 20,000 per month for the entire duration of the Fellowship. Fellows are to spend a minimum of 30% on Fellowship activities.
- No other cost will be borne by Udayan Care.
